

FIBERGLASS DOORS

DOOR OPTIONS

Never compromise durability for beauty. Good news is, we do both. We build our doors with composite, engineered lumber, which holds up against the elements for strength and longevity, and our foam core offers superior energy efficiency. Our attention to quality is reflected in 20 plus years of manufacturing in Canada. ODL fiberglass doors come in three styles: Estate, Shaker, and Contemporary. Flush Glazed doors offer Shaker and Estate panel designs or opt for full view doorglass.

Aibell

RIFT CUT

Virtually indistinguishable from the true article, the process begins by constructing an actual wood door and transferring the authentic graining to our unique line of Rift Cut doors. The natural wood graining enables versatility to showcase any stain.

SATIN SMOOTH

The Satin Smooth finish features a unique fine brush stroke surface that's ideal for finishing applications. You can be sure to find any door in this dependable texture.

FINE GRAIN

Designed exclusively for our Contemporary door line, Fine Grain texture has a tighter, finer grain and enhances the look and feel to that of a modern home.

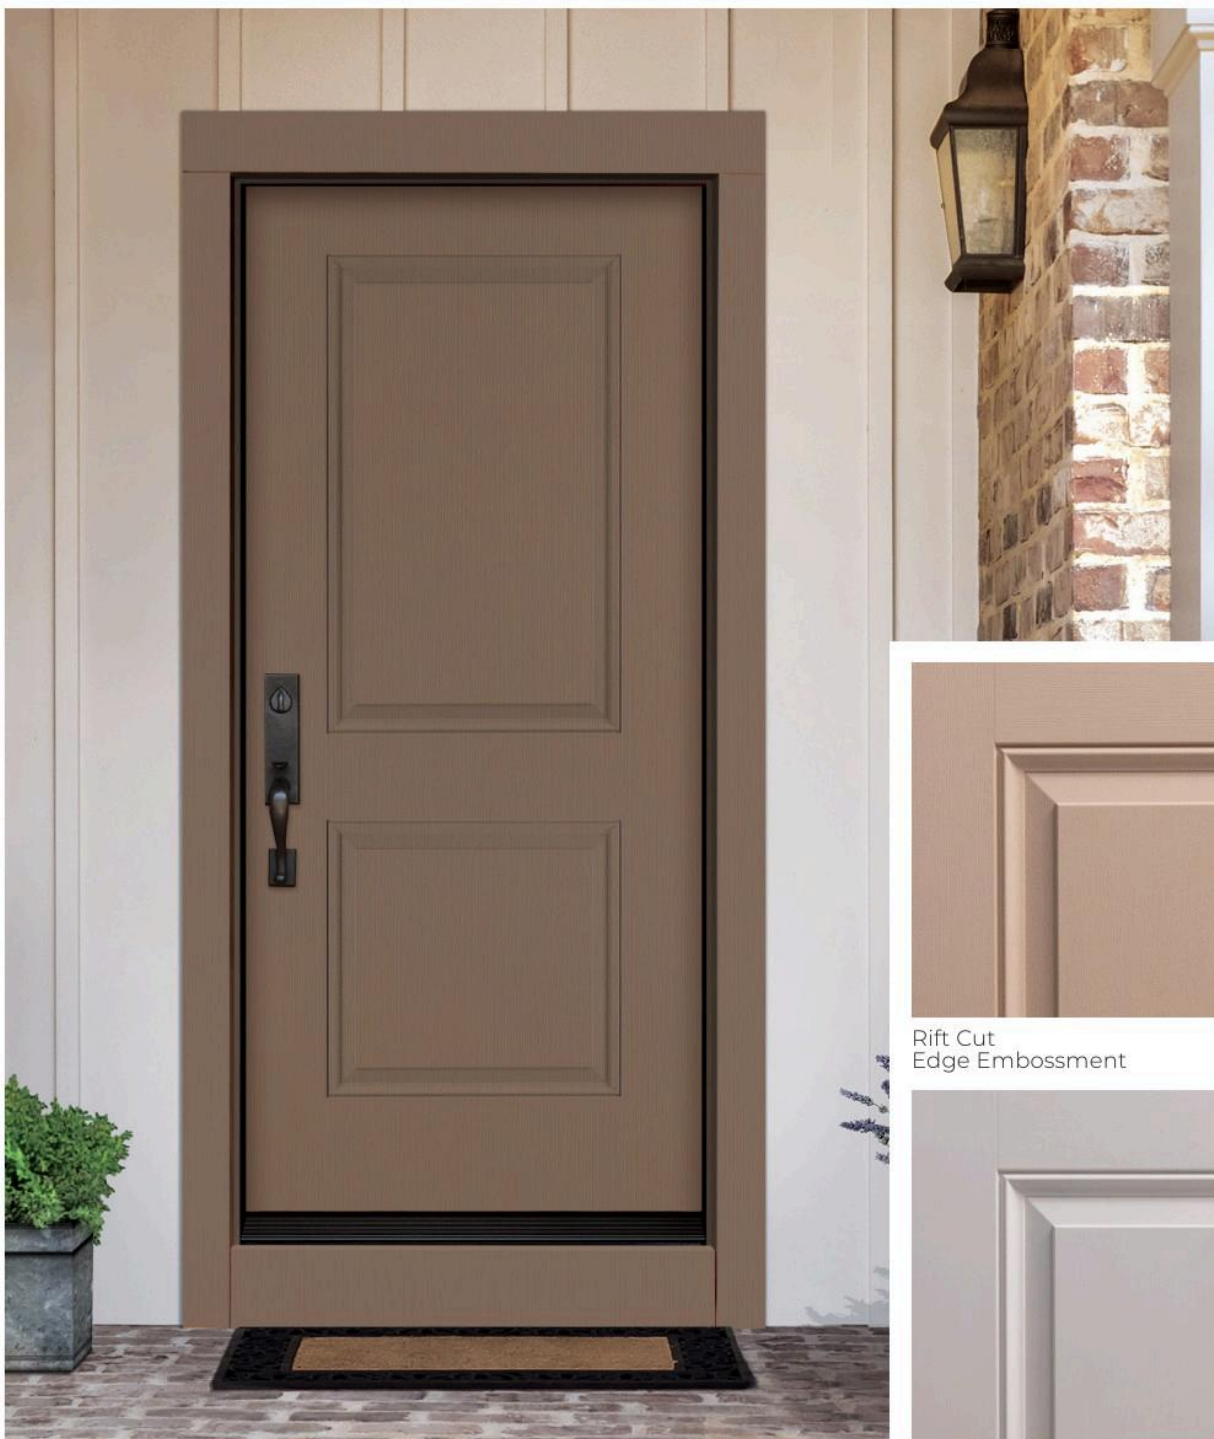

ESTATE

DOOR OPTIONS

Our traditional Estate doors feature Edge embossments having the advantEDGE of being molded from handcrafted wood doors that include actual planks. The Rift Cut door graining, captures the authenticity and appeal of multiple wood species in one distinctly linear texture. From there the choice is yours to stain in rich mahogany, classic oak, elegant walnut, or whatever colour suits your style. Our Satin Smooth door is perfect for any colour finish and provides the durability of fiberglass.

SHAKER

DOOR OPTIONS

Our Shaker door has a clean look with crisp edges, a style which emerged from an arts and crafts movement celebrating the craftsmanship and designs that complement nature with simple lines. This style is also a perfect design for flush glazed doors. That means we have an even greater selection to offer with our well-known insulated glass. It's a deft design approach that eliminates the doorglass frame and provides a clean look with more viewing area.
